

The Northeast Texas Community College Eagles baseball team has stepped up to the plate and are giving back to the children of our community through the Ks 4 Kids initiative.

Our goal is to raise \$75,000 during the 2011 season for the children of Titus Regional Medical Center. The money raised will be used to help provide advanced care equipment and options for over 6,000 newborns and pediatric patients treated at TRMC each year.

The NTCC Eagles and TRMC are seeking contributions for every strikeout the Eagles pitching staff records in the 2011 season for this special project to make a difference in the lives of today's youth.
