Let The Good Times Roll for a Great Cause!

Titus Regional Medical Center has been serving our local community for over 70 years! From the various trials in your lives to your most triumphant, our health system has been here, by your side, consistent and close. Moving forward after the incredible 2023 STAYIN' ALIVE Grand Gala, we wanted this year's focus to honor not just TRMC, but you, OUR community. GEAUX TITUS isn't just a rally for our health system - it's a celebration of YOU, our neighbors, and a promise that we plan to always help lead the transformation for healthier tomorrows in YOUR (our) community.

Through your generous support, we've seen our health system improve with enhancements like the "Cuddles" infant security system, remodeled patient areas, a new Surgical Waiting Area, and more. This year we plan to focus our funds on supporting our community's newest addition, CancerCARE at Titus. We have varying sponsorship levels available to choose from for you and your business/organization. Grab your beads and feathers, and let's party with a purpose at the GEAUX TITUS Grand Gala on April 27, 2024!

Thank you for your consistent support!
