

Visit the [Apple App Store](#) or the [Google Play Store](#) to access your MyChart account from your smartphone.

Download the MyChart App

1. Open the App Store or Google Play Store on your device.
2. In the search box, type “MyChart”
 - Locate the **MyChart** app from the search results.
3. Download the app from the store:
 - Apple users – tap **Get**, then **Install**.
 - Android users – tap **Install**.

Follow the prompts on the screen to complete the download. You may need to sign in with your ID and password or use Touch ID or Face ID, if you have them set up

4. Once installed, click on the **MyChart** app.

When prompted, make sure to **Accept** the “**Terms And Conditions Of Use.**”

- Click **Allow** when asked about location settings.

5. On the “Select an Organization” screen, search for **Titus**.

- If you have enabled Location Services, you will see nearby organizations on this screen.

6. Tap the TRMC/Pedi Clinic logo from the list to add to your organization list.

7. Tap the TRMC/Pedi Clinic logo again. You will be brought to the MyChart login screen.

8. Use your **MyChart** Username and Password to **Log In**.

9. If you have further questions, please call our **MyChart** support line at **903-577-6137**, or email us at MyChart.Support@TitusRegional.com.
