

TITUS REGIONAL MEDICAL FOUNDATION PRESENTS  
**A NIGHT OF DISCO & DANCE**

# STAYIN' ALIVE

CELEBRATING 70 YEARS OF SAVING LIVES WITH QUALITY CARE!

**SAT. APRIL 29, 2023 | 6PM**

Mt. Pleasant Regional Airport  
602 Mike Hall Parkway - Mt. Pleasant, TX

## 70 Years of Titus Regional Medical Center

Following a three-year hiatus, we're thrilled to be bringing Titus Regional Medical Foundation's Grand Gala back! Teleshia Coleman, RN, FNP-C is leading the charge as our 2023 Chairman. "I'm excited to lead the 2023 TRMC Grand Gala to show the community we are still at the forefront when it comes to support, friendship, providing, leading, and building our community." Grab your grooviest platform shoes and prepare for a night of disco and dance - we're going to be STAYIN' ALIVE for 2023's Grand Gala event as we celebrate 70 years of saving lives with quality care at TRMC.

This STAYIN' ALIVE Grand Gala is a way for us to gather, give, and see various projects at Titus Regional Medical Center grow from your support. Because of your generosity in past years, we have seen an expanded Intensive Care Unit, a new Surgical Waiting Area, renovations to the Women & Children's Unit, and more. As we lead the transformation for healthier tomorrows in OUR community, it first starts with the most vulnerable of us, which is why in 2023 we plan to focus our funding on an Infant Abduction Alarm System. This purchase will allow us to protect the families of our community's most precious cargo. This is where you come in! We have several sponsorship levels available to choose from as you and your business/organization support the Titus Regional Medical Foundation.

**Your generosity is needed and more appreciated than ever. Thank you!**
